There are five levels of partnership, each with **lucrative benefits** to ensure that your **support is recognised and highlighted throughout the conference and beyond**. Sponsorship packages may be shared between two or more partners. Pages 7 – 14 outline the Conference Partnership opportunities, levels and benefits of becoming a partner.

Combined sponsorship package allow sponsors to choose two or more opportunities to gain the benefits associated with the cash value of the sponsorship. E.g, a combination of two bronze items automatically upgrades you to the silver sponsorship level. You would therefore receive all the benefits of a silver sponsor.

We look forward to your partnership at this regional insurance forum and thank you in advance for your kind support.
