About your facilitator:

William is currently a Director at Tomlin Insurance Brokers. He was a founder of CGM Insurance Brokers (now CGM Gallagher), for which he served as a Director and Consultant until 2016. He was also a Claims Consultant & Lecturer in Property & Casualty Insurance from 2016 to 2019 where he has advised and negotiated several large claims arising from Hurricanes Irma & Maria in BVI, Antigua and Dominica.

As a Broker, he has been involved in large PD & BI claims throughout the Eastern Caribbean, hurricanes in the 1990s in North Caribbean, hurricane claims in Grenada, St. Lucia and Dominica, volcano eruption claims in Montserrat, and large fire claims in several countries.

He has also served as Insurance Broker to seven electric utilities in the Eastern Caribbean and has developed and established captive or risk retention entities for several large companies in the region.

William has also developed customized hotel liability policy at Lloyds for Caribbean Hotels and is considered one of the more knowledgeable people of BI insurance in the region .
