

Ransom and Kidnapping Keyman Insurance

MASTERCLASS  **zoom** Online Webinar

This webinar will provide a robust understanding of the scope, structure, and strategic value of K&R insurance policies. Designed for underwriters, brokers, risk managers, claims handlers, and anyone involved in specialty lines, it will equip you with the tools to advise clients more confidently and effectively in today's complex risk environment.

Elman Myers

Senior Consultant

Hiscox Crisis Management

An overhead photograph of four business professionals (three men and one woman) sitting around a dark wooden conference table. They are all looking down at documents and laptops on the table, appearing to be in a collaborative meeting. The room has large windows in the background, letting in natural light.

Your Facilitator Elman Myers

About Your Facilitator

Elman Myers is a Senior Consultant for Hiscox Crisis Management. Based in Miami, Elman supports business development and client service of Kidnap & Ransom insurance throughout Latin America and the Caribbean.

Elman is a 1988 graduate of the United States Air Force Academy in Colorado Springs, Colorado, with a Bachelor of Science degree in Latin American Studies and Webster University, St. Louis, Missouri, with a Masters of Arts degree in Security Management.

Elman began his career as a Special Agent with the U.S. Air Force Office of Special Investigations, where he served nine years in various special investigative and counterintelligence positions in the U.S. and Latin America.

In 1997, Elman left military service to work in Kidnap & Ransom insurance. Since then, he has worked as an underwriter, broker, senior executive, and consultant for CIGNA International, ACE, Willis, and Hiscox.
